

REHEARSALS general information

Rehearsals are used to provide our students the opportunity to dance on the stage before their final performances, and to get them used to different space & lighting. We also use stage rehearsals to check music levels, choose the proper lighting, etc.

Spencerport High School Performing Arts Center

Thursday, June 27th

Saturday PreK class, All needs OLDER class

ALL other students must stay for Final Bows and announcements.

OTHER IMPORTANT INFORMATION!

*PLEASE remember to NOT enter/exit auditorium during a performance! It can be very distracting to our dancers and other audience members! If you think you will be going in and out of the auditorium frequently, please sit near the back in the higher seats, and near an exit. Please share this information with your guests.

Audience etiquette is extremely important to us.

*If you ordered recital tee shirts, I hope to have them ready to distribute by rehearsals. Please be sure yours are paid for if you ordered them.

*The best time to ask questions is at your student's rehearsal. The teachers and I will be there if there's something you're unsure about.

*There will be people from Spencerport HS directing the parking on all rehearsal/recital days. PLEASE follow their instructions. They will be happy to assist you with any special issues, including handicapped parking.

*We have someone who will be LIVESTREAMING all of our shows, for people who can't make it to watch in person. I will be sending the link (s) to watch the livestreamed performances as soon as I receive it.

*We will have raffles, light concessions and recital items for sale before, during intermission and after our shows.

*We DO NOT have paper programs. We will have a QR code available for you to download to your phones at rehearsals, that you can print or use as a "virtual program" at the shows.

"19 FOREVER"

Let's Dance!
